William R. Miller, Ph.D.
Theresa B. Moyers, Ph.D.

A Very Special Training at the Flag Is Up Farms, Solvang, CA With Special Guest Monty Roberts

May 21-22, 2018 - \$650

In this dynamic 2-day workshop, participants will:

1. Learn to generate learning plans for novice MI clinicians
2. Become familiar with the use of standardized coding to evaluate MI competence in clinical trials or system roll-outs
3. Learn to plan an entry-level MI workshop and follow-up enrichment sessions
4. Experience a demonstration of humane horse training by world-renowned horse trainer Monty Roberts

Target Audience

This training is ideal for individuals who have already learned the basics of MI and are using it in their professional settings, including social workers, clergy, health educators, care managers, counselors, psychologists, corrections officers and many others. Those who have a particular interest in the overlap of human leadership and animal learning will find this training especially useful.

Included in the Workshop

- 14 hours of expert training with both trainers
- 13 hours of CEUs from the New Mexico Counseling and Psychotherapy Board
- Demonstration of the Join Up Horse Training Method by Monty Roberts
- BBQ dinner in the home of Pat and Monty Roberts
